ADVERTISEMENTS

Foreward

In this annual are represented the students and faculty, and their activities as they are seen each day at Nebo High School. In the years to come these memories will be relived in the pages of this yearbook.

Keep it. Treasure it. And when the time comes for you to march to the strains of "Pomp and Circumstance," you can take a real part of Nebo High School with you your yearbook.

Renée Ballew

Dedication

Because of her faithfulness, kindness, enthusiasm, and patience to the students of Nebo High School, we wish to honor her.

Because she has given so willingly of her time and energy to each of us--for giving every minute she could spare to help with our Junior Senior Banquet--for her many efforts in the last two years to make our school better, we wish to honor her.

Because her daily schedule has always included us--we, the Senior Class of 1966, dedicate this 18th volume of the Pioneer to Mrs. Alma McGimsey.

Principal's Message

In the pages of a school yearbook, the great moments and treasured memories of one's school years are preserved. As the time of separation draws near, friendships become deeper. After you have left the surroundings of this school, you may view again the faces of old friends and reminisce the enjoyable times you have spent in our midst.

I am very happy when I realize that I have shared some of these happy experiences. May you always live the rich and wholesome life that you deserve.

In Tribute

We, the class of 1966, would like to take this opportunity to express our sincere gratitude to a man who has meant much to us during our school years. He has taught school for nearly 60 years and was one of the best-loved teachers at Nebo. He taught his courses in such a way that it was a pleasure to study and learn. He was also a wonderful athletic instructor and coached many teams to county championships. He instilled in his students the desire to be the best in whatever they did. Students admired and respected him.

Nebo School lost one of its best teachers when he retired, and the students lost a faculty member who was a dear and close friend. The class of 1966 places this page in the 1966 Pioneer in tribute to Mr. Thomas W. Stacy.

Marshals 1965

Each year as graduation approaches, the marshals have a major part in commencement events. They decorate for the Graduation and Baccalaureate service, usher, distribute programs, and assist in many other ways. The chief marshal leads the seniors through their final march together as a group. Thus it is only appropriate that the marshals be honored in this 1966 Pioneer.

SUMMARY

The Nebo girls are enjoying a fine season after a slow start which saw them lose four of their first five games. The girls suddenly came to life and have won eight of their last nine contests. At this time they lead the conference with three league games left to play. This is one of the most exciting teams to represent Nebo in several years, and the future looks bright since only two girls will graduate this year.

SUMMARY

The Nebo boys have won eleven games and lost three as they enter the last month of the season. At this time they are in second place in league play with three conference games to play. This edition of the Bears is a high-scoring one with an average of seventy-one points per game. With the conference tournament only one month away, the rapidly improving Bears' championship hopes are high.
